The Witcher 3 Wild Hunt Original Soundtrack ft. Gérard Grondin Game Key features:

- Featuring an arrangement of Géry Grégor's score composed by Gérard Grondin
- Presently the most famous version of the game soundtrack
- A catalogue number is currently not available for this soundtrack

The Witcher 3 original soundtrack opens up a brief window to another side of the game. Playable in a separate game mode, the original soundtrack can be unlocked using a password. It includes mixes created by Gérard Grondin, who produced this compilation for Deep Silver's CD Projekt RED community (including his own podcasts) to express his appreciation for the project. This soundtrack is inspired in a classic pagan ritual to invoke a "vox in aeternum", a voice in the eternity.

The original soundtrack features an arrangement of Géry Grégor's score composed by Gérard Grondin.

Content Warning: Contains images of death and gore. It is required to play the game.
